(**Survey secret:** Phil Maynard wrote a sentence to exemplify the major aspects of what it means to follow Jesus (i.e., worship, hospitality, opening to Jesus, obeying Jesus, service, generosity) at each of the four stages as described above (i.e., exploring, beginning, growing, maturing). That gave him 24 sentences that he arranged in a 4x6 colorful grid.

To take the survey, you pick a color to start with. If you pick orange, read all of the orange boxes. Then ask, "**What orange sentence represents the stage I most find myself in now?**" Remember these are not perfect sentences. You might have written different sentences to be your examples.

**Warning:** if you ask, "What stands out to me?" or "What do I like best?" or "Where have I been?" you'll probably get a strange result. Ask: what sentence represents the stage I most find myself in now?"

- Click that box.
- All the other orange boxes will turn gray.
- Now go on to the next color you choose.

See . . . that was fast.
